Hey, how can I get health insurance working as a 1099 employee?

I'm so glad you asked! We have our own marketplace where you can select coverage that works best for you! We offer health, dental, vision and personal accident coverage!

That's awesome, I'm in! What's it called and where can I sign up?

It's called Local Delivery Perks! Just go to the link below and you can get started right away.
